Prime Rate: The APR will vary based on changes in the Index, the Prime Rate (the base rate on corporate loans posted by at least 70% of the ten largest U.S. banks) published in the *Wall Street Journal*. The Index will be adjusted on the 25th day of each month or the business day preceding the 25th day if that day falls on a weekend or a holiday recognized by the Board of Governors of the Federal Reserve System. Changes in the Index will take effect beginning with the first billing cycle in the month following a change in the Index. As of December 22, 2017, the Index was 4.50%.
